*A Letter from the Manager's Desk*

Congratulations on the purchase of your new Phantom racing chassis. I would first like to thank you for choosing Phantom for your chassis needs. Now that you own a Phantom chassis, let me welcome you to the PRC Team. Since 1989, Phantom has earned the reputation for quality products, innovation above the rest, and specific attention to detail. But in addition, Phantom Racing Chassis prides itself on offering the very best customer support in the industry. So, whether you have a question regarding an online order, chassis assembly, or scaling your kart, don't hesitate give us a call, or shoot us an e-mail...we'd be happy to help.

In addition, we have been committed to aligning our products with the most knowledgeable and reputable companies in the karting industry. Currently, we have the biggest and most highly renowned Authorized Distributor Network in the industry. So, what does this mean to you? It means that Phantom Racing Chassis has the industry's strongest and most valuable network of people and information available for not only our benefit, but for the benefit of each of our customers. So, no matter where you are preparing to race or what the conditions may be, Phantom Racing Chassis can get you the correct information so that when you hit the track, you're ahead of the pack.

Not only does our Authorized Distributor network offer the information necessary to run upfront, but also the parts and components you need to stay on track. Spindles, axles, tie rods...all PRC components are available through each of our dealers and distributors. And with over 30 well respected companies strategically located all across the country, there should never be a week that you go without the parts you need.

In closing, I would like to personally thank you for your purchase of a Phantom chassis. Everyone at PRC appreciates your business and we are proud to have you as a customer. It is my goal to ensure you're entirely satisfied with your chassis and interaction with all of us here at Phantom. If there is ever anything I may do to help you or your racing program in the future, please do not hesitate to contact me.

Sincerely,
